Re : New FM Allocation,  
Add Channel 263-C3, 100.5 MHz  
College Park, Georgia

( Docket No. RM-98-112 )

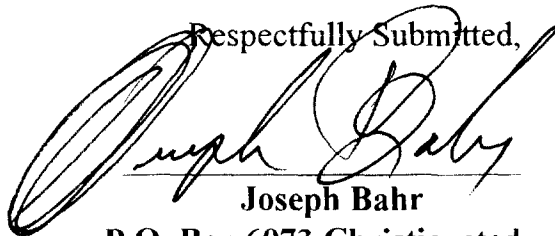

Reply Comments Of Joseph Bahr  
To Add Channel 263-C3 To College Park, GA.

I, Joseph Bahr hereby express my comments and Reply as follows:

College park is a fast growing community which now has a population of 20,000 persons. The area presently does not have a First Full Time Aural Service to serve the College Park Community. Due to its fast growing population and economic, commercial expansion, Channel 263-C3 is greatly needed.

If the Commission Adds to the FM table of Allocation Chanel 263-C3; I, Joseph Bahr will promptly file an Application for this new FM Channel to serve College Park, Georgia.

Respectfully Submitted,

Joseph Bahr
